ABOUT ME

AI & ML undergraduate with expertise in Python, Data Structures & Algorithms, SQL, and Machine Learning. Passionate about software development and data-driven solutions, with hands-on experience in building projects and a strong desire to contribute to innovative technology teams.

EDUCATION

Bachelor of Technology (B.Tech) - Artificial Intelligence and Machine Learning (Pursuing)

Parul University, Vadodara (2024 - 2028)

Intermediate :

Sri Surya Jr College, Visakhapatnam (2022 - 2024)

TECHNICAL SKILLS

- **Languages** : Python, C, SQL
- **CORE CS** : Data Structures & Algorithms, OOP, DBMS, Operating Systems, Computer Networks
- **AI/ML** : NumPy, Pandas, Matplotlib
- **Web Development** : HTML, CSS, JavaScript, Flask
- **Tools** : Git, GitHub, VS Code

PROJECTS

Quiz Result Analyzer

- Designed and developed a quiz result management system to store, sort, and analyze student performance records.
- Implemented Bubble Sort to rank students based on marks (descending) and completion time (ascending).
- Developed a case-insensitive Linear Search feature for quick student record lookup.
- Utilized arrays and structures to efficiently manage multiple student records and generate ranked outputs.

CERTIFICATIONS

- **AWS Academy Graduate – Data Engineering**
AWS Academy (2026)
- **Computer Networks and Internet Protocol**
NPTEL (IIT Kharagpur) (2026)
- **Python Programming (CEPYTIIN)**
IBM Developer Skills Network (2025)
- **Information Technology Specialist – JavaScript**
Certiport Pearson VUE (2025)
- **Information Technology Specialist – HTML & CSS**
Certiport Pearson VUE (2025)
